\* Plans F and G also offer a high-deductible plan in some states (Plan F isn't available to people new to Medicare on or after January 1, 2020.) If you get the high-deductible option, you must pay for Medicare-covered costs (coinsurance, copayments, and deductibles) up to the deductible amount of \$2,800 in 2024 before your policy pays anything.

\*\*Plans K and L show how much they'll pay for approved services before you meet your out-of-pocket yearly limit and your Part B deductible (\$240 in 2024). After you meet these amounts, the plan will pay 100% of your costs for approved services for the rest of the calendar year.

\*\*\* Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that don't result in an inpatient admission.

### General out-of-pocket expenses:

**Plan F:** Nothing

**Plan G:** Part B deductible (\$240 for 2024)

**Plan N:** Part B deductible (\$240 for 2024) and up to \$20 per office visit and \$50 per (waived if admitted under Part A)
